GREAT BUSINESS LEADER'S APPEAL

" Stop that Drifting " and Train

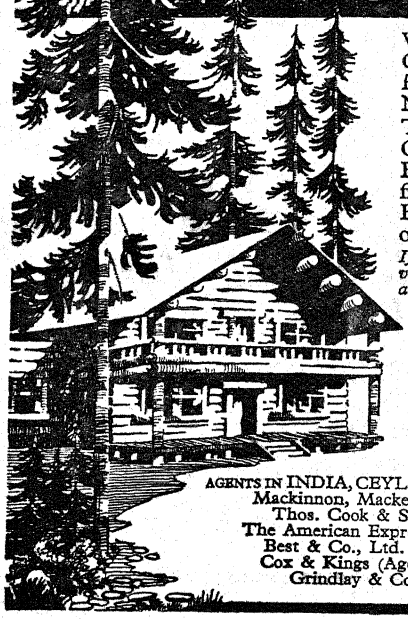
YOUR MIND FOR SUCCESS

Sir Herbert Austin, Chairman of the famous Austin Motor Company and one of the foremost business leaders, makes a stirring appeal to readers to take up Pelmanism and train their minds for success.

Sir Herbert Austin, K.B.E.

" To command opportunity and compel success, " he writes, " every man must train his mind to such vigour that it is capable of grappling with the problems of life as they arrive."

" Here it is that I am sure Pelmanism is proving of immense help to the people of to-day."



" Too many people are just drifting: Pelmanism can stop that drifting, and start the drifter on a useful Journey."

Pelmanism brings out the mind's latent powers and develops them to the highest point of efficiency. It banishes such defects which interfere with the effective working power of the brain, and in their place it develops strong, positive, creative qualities which add to your efficiency and are of the utmost value in every walk of life.

Write for a Free Copy of " The Science of Success ", a booklet which explains Pelmanism, and for Forms offering convenient terms.

ARMY, NAVY, MARINES AND AIR FORCE PROVIDENT SOCIETY.

This Society affords to Officers a means whereby they may, at a minimum cost, provide annuities for their widows (or their children when eligible, if their wives predecease them) which may prove a welcome addition to the service pensions.

Officers of the Army, under 50 years of age, may take up one, two, three or four memberships: the annual contribution for each membership being £1 10*s.* plus a disparity fee of 2*s.* 6*d.* for each year that the wife is younger than the member.

If the member dies before six years of membership have been completed, the whole of the contributions are refunded to his widow. If six years of membership have been completed the widow receives an annuity, the amount of which depends upon the number of years of completed membership.

Full particulars with application form may be obtained from the Secretary :—

A WORD TO MOTORISTS

The graph reproduced below shows the Imports into India of Motor Cars from the U.K., U.S.A. and Canada during the financial years 1921-2 to 1935-6, and it has been prepared from Customs' figures.

The Imports represented in the graph include both cars imported complete and those imported in parts for assembly in India.

From the above it will be seen that since 1931-2 the Imports of English cars have exceeded those from any other country.
